

2nd Grade News

Aug 14th – 18th

Reading: Story: Help!

The information for our weekly units will be on the reverse side. (Keep your paper copy. The reverse side will not be accessible on the web page.) In a typical week, students will take a test over their main story and vocab words on Thursday. On Friday, students will take their spelling test.

Math: Topic 1: Fluently Add and Sub. Within 20

This week we will cover lessons 1-4 (Addition Fact Strategies, Doubles and Near Doubles, Make a 10 to Add, and Fact Patterns). You can review any pages brought home and also access short videos though the app “Bounce Pages”. It is a great idea to purchase and regularly use addition and subtraction flash cards at home. Students will need to know their basic facts this year.

Religion: Chapter 1: The Bible

Students will learn about the Bible, Saint Jerome, the gospels, and the psalms.

Social Studies: Culture Unit 1: We Live Together

Students will explore rules used at home and school in Lesson 1, and living in communities in Lesson 2.

TESTS:

Thurs-Reading and Vocab
Fri-Spelling

IMPORTANT DATES:

***Friday is a mass
day!

**August 15th -
Assumption of Mary-
Holy Day of Obligation

Important Information

- **Supplies:** Please make sure your child has an art shirt (old shirt). We regularly do art and other messy activities in class.
- **Planners:** Parents need to sign your child's planner every day. This shows me that you have checked for homework. Students also get rewarded for having signed planners each day.
- Please make sure you have read all of my policies and information from your child's Thursday folders given at Orientation Night.
- **Science:** We will do Social Studies for the 1st semester and Science the 2nd semester.
- **Classroom Webpage:** You can access this weekly newsletter as well as many student and parent resources on our 2nd Grade pages.
