

2nd Grade News

May 1-5

Reading:

Unit 6 Week 5

See reverse side

Math: Topic 15: Shapes and Their Attributes (Lessons 15-8, IN 8, IN 9, IN 10)

Students will learn about right rectangular prisms, compose and decompose 2D and 3D shapes, and use problem solving skills.

Religion: Ch. 17 In God's Image

Students will learn about the "Little Flower", being holy, and Jesus as our teacher.

Science: Sun, Moon, and Stars

We will explore what can be seen in the sky and what we can observe about the sun.

bweiss@evdio.org
