What We Are Learning

Language Arts

We practiced reading and spelling words with vowel digraphs au and aw. We discussed the author's purpose for writing a story. We reviewed capitalizing days, months, and holidays. In grammar we learned about possessive pronouns. Our main story this week was Meet Rosina.

Math

We reviewed and completed our unit on telling time to the hour and half-hour. We started Topic 14 - Reason with Shapes and Their Attributes. In our first lesson, we used attributes to match shapes.

Religion

This week is Holy Week. We learned that Palm Sunday is the first day of Holy Week, and recalls Jesus' entry into Jerusalem. We read that on Holy Thursday, we remember and celebrate the day on which Jesus gave us the Eucharist. On Good Friday, we remember that Jesus suffered and died for us.

Science

We learned more about plant and animal life cycles. We described the life cycles of animals, including the following stages: egg, larva, pupa, adult. We also described the life cycle of an animal including these stages: egg, young, adult. We learned that young animals have characteristics that are passed on from their parents.

Happy Easter!

Vocabulary Words

brother
father
friend
love
mother
picture
accept
often
