What We Are Learning

Language Arts

We practiced reading and spelling words with oi and oy. We discussed plot and cause and effect. In grammar we learned about prepositions and prepositional phrases. Our main story this week was Time for Kids: Building Bridges.

Math

This week we practiced using different strategies to solve subtraction problems. We modeled thinking to solve problems. We reviewed and completed Topic 11 - Use Models and Strategies to Subtract Tens.

Religion

We learned that Mass is the most important celebration of the Church. We discussed why we listen to readings from the Bible at Mass. At Mass, we celebrate and share the Eucharist.

Science

In science we began our unit on Plants and Animals. We identified and compared the parts of living things. We categorized living organisms using a variety of observable features.

PTO Dinner/Dance Auction - Saturday, March 18

The first grade class will auction a bear basket. Included in the basket will be our classroom bear, K.J., and the notebook that has stories and pictures of the bear's adventures with the students.
