Hello Everyone,

Christmas is almost here! It just doesn't seem possible that we are nearly half-way through this school year. All of us as St. Joseph School wish you a very Merry Christmas and Happy New Year. Thank you for choosing us.

We will be doing a fundraiser for a good cause next WEDNESDAY. NGSC students, Brandon Blackwood and Kaden McKannan (former St. Joe student) were seriously injured in an automobile accident and we would like to assist these families financially. **Wednesday**, next week, will be FREE DRESS with a price. \$1 for a shirt and \$1 for jeans. Money raised will be matched by PTO and donated to the cause. PLEASE HELP!

**IMPORTANT REMINDER:** Advent/Christmas programs are **BOTH** next **MONDAY** evening. The Early Childhood program is at 5:30 in church and the K-5 program is at 6:30 in the gym. We are asking that all attending **please bring a canned good item for the local food bank.**

Next week also is the end of the second grading period. Since we come back to school on Thursday, January 4th, report cards will not go home with students on that day. We will wait until the following Thursday, January 11 to send home report cards and awards. There will be no newsletter on January 4th either.

Speaking of our Wildcat News Newsletter, we send it out every week by email that you provide. Often times, we send other important information as attachments to the Wildcat News. Please check your email and let us know if you are not receiving the newsletter. If you go online to our website to see the newsletter, you may miss other important information that is being sent to you as attachments.

### **Santa's Workshop is bustling!**

Our Santa Store was a big hit with students. They were able to buy items for family members and have them wrapped by our great volunteers. Thank you to all who helped with this service to our students and families.

Again, Merry Christmas and may God richly bless you in the upcoming new year.
