

Principal's Corner

Four Star School

Hello Everyone,

It looks like winter has returned. Just when the flowers, birds, and most people I know were convinced that spring was here, the temperature falls into the 20's. I've lived in Indiana all my life but it seems I never get used to these wild temperature swings. The flu and other sickness has hit us pretty good lately, and I know this crazy weather has contributed to that. I hope you've been passed over by the flu bug and other illnesses.

While shooting for the first time at the State Archery Tournament in Indianapolis, Daegan shot 265 and Elliott shot 245. That might not mean much to you if you are not an archery fan. However, with those scores, Elliott finished 8th overall for third graders in the state of Indiana. Daegan finished first! Yes, that means we have a state champion archer right here at St. Joseph.

CONGRATULATIONS to both of these fine young men that have represented the sport of archery and St. Joseph Catholic School very well. We are full of WILDCAT PRIDE!

With mixed emotions, we would like to say good luck to Mrs. Becky Sheridan. She will be moving to her new position, our parish Spiritual Life Coordinator, beginning on Monday. We will miss her in extended care but will still have her around as she transitions to working at the parish office. All the best, Mrs. Becky.

This smiling face belongs to our wonderful volunteer librarian, Amber Seibert. Mrs. Amber has been volunteering every Monday as she invites each class to come to the library for stories and time to select new books. We say, "Thank you" for sharing your time and talents.

No school tomorrow. It was scheduled to be a make up day.

Enjoy the day off and have a great weekend.

Mr. Gilbert ☺

The Catholic Corner

St. Joseph, Spouse of the Blessed Virgin Mary

March 20, 2017

St. Joseph was husband of Mary and the foster father of Jesus here on earth. At several key times in his life, Joseph listened and followed special messengers that God directed to this humble carpenter. Joseph's faith led him to marry his fiancée, even though she became pregnant in a divinely inspired way.

He courageously took them to Egypt to escape Harod's wrath. And Joseph raised Jesus as his own son, guiding his growth.
