## Principal's Corner

2014  
Four Star School  
★★★★

Hello Everyone,

It's finally the end of the journey. This will be the final edition of the Wildcat News for the 16-17 school year. I must say this has been an extremely fast year. It just doesn't seem possible that next Tuesday is the last day of school. I do hope it has been a good year for you. I know it was for all of us.

Next Tuesday will be our field day activities in the afternoon. As always, we are planning on beautiful weather and lots of fun times. If for some reason, the weatherman doesn't cooperate, we will have a plan B for inside instead of outside activities. Mrs. Schmitt, who heads up our field day committee, always does a great job planning an afternoon of fun (and usually wet) games for us. We still need many volunteer helpers to assist with games. If you could help, would you please call the office and let Linda know. Also, you will need to come equipped with a squirting apparatus in order to help enhance the fun at your particular game site. Thanks in advance for helping out.

Congratulations to our Principals, Secretary, and Fire Chief for a day. They all performed their duties well and made us proud. Above, on the left, was lunch at Dick Clarks restaurant. On the right is our Fire Chief for the day. Thank you to the families who purchased at the auction.

For your information, the best way to reach myself or Mrs. Linda over the summer will be via email. We will have the summer program going from May 24 until July 28th, so there will be someone in the building daily if you need to leave a message or money for anyone.

I pray that you have a restful, but event filled summer vacation. Summer is a time to build memories and make the most of the time you have to spend with your kids. No one knows more than me how fast your children grow up and there is no getting that time back. Please enjoy every moment you can. Have a safe summer vacation. See you next year.
