Hello Everyone,

We received some BIG NEWS last week. The Indiana Department of Education released it's report card grades for Indiana schools. St. Joseph is once again an "A" rated school after being a "B" the last two report cards. We are very proud of the hard work put forth by students and staff to receive this recognition. This validates what we all know already; that our school is a great place to learn and grow. Thanks to all of our parents and patrons for their support and encouraging their children to always do their best. And, speaking of doing their best, we had NO infractions given out during the first grading period. **THAT'S A-M-A-Z-I-N-G!** I encourage everyone to Keep Up the Good Work!

OK, here's a question for you. Will a 17 pound pumpkin float when placed in a tub of water? That's just what the 4th graders were trying to find out with their pumpkins this week. Each student weighed and measured, then, they tried to guess correctly if it would float. Guess what they discovered?

Next Tuesday is PICTURE DAY
Tuesday - Red Ribbon Rally at GSHS for grade 5
Tuesday - Archery practice begins
Wednesday - Group picture day
Wednesday - Duke energy presents, Kilowatt Kitchen
Next Friday is FALL FESTIVAL

It looks like next week is packed with activities. The week after will be Red Ribbon Week. We all know what fun that is! Watch for the list of daily activities to come home so you don't miss out on all the fun.

Have a great Fall Break and stay safe.

Mr. Gilbert 😊

Feast of Our Lady of Fatima
The centenary anniversary celebrations in honor of the apparitions of Our Lady of Fatima began in May 2017 (the first apparition and the feast of Our Lady of Fatima), and will run for five months through October 2017 (the final apparition and the anniversary of the Miracle of the Sun). Rosaries are being prayed around the world this weekend as part of the celebration. A rosary will be prayed in our Bicentennial Park on Saturday, October 14 at noon. All are welcome!
