Hello Everyone,

This has been a busy week with all of the Red Ribbon activities. It made for a fun week though, too. We got to have a few dress up days and learn more about peer pressure and how to say "NO" to drugs.

The North Gibson Cross Country boys and girls teams joined us on Monday for our "Run Away from Drugs" fun run. Here are some of our second graders as they get ready to take off to run or walk the course.

Please join us next Thursday evening for

our Open House and Wildcat Wellness Fair. Early Childhood families are invited to come and tour the K - 5 classrooms and get information about attending St. Joseph school next year. Guided tours will be given.

OPEN HOUSE THURSDAY, NOVEMBER 3
5:00 – 7:00 pm

HALLOWEEN

Halloween has its origins in the ancient pagan Celtic and Roman fall festivals which commemorated the new year and the passing of the dead. Pope Boniface VI set November 1 as All Saint's Day, known as All Hallowsmas, from Middle English Alholowmesse. When November 2 was made All Souls Day 200 years later, the three days' celebration was called Hallowmas. The customs of Halloween, costumes, food and parties evolved over time, some rooted in ancient rites, others in remembrance of those who had died. These pagan feasts were Christianized by new meanings, although today it remains largely a secular holiday.
